# TOURNAMENT CATERING POLICIES

**Menu Selection** Menu selection is made at least 30 days in advance of scheduled event. The customary 20% service charge and sales tax (7.5% \*or current rate if different) will be added to all food and beverage items. Service equipment cost may be added. Our guests will note that all items may be cooked to order. Consuming raw or undercooked meats, poultry, shellfish or eggs may increase your risk of food borne illness, especially if you have certain medical conditions. Please inform Catering Sales Manager of any food allergies so we can accommodate any dietary restrictions of your guests. All prices are subject to change without notice.

**Insurance** Because this can be a seasonal venue, we offer no guarantee of weather conditions. It is our recommendation that you, the customer, consider the purchase of event insurance for the safeguard of your event.

**Guarantee** The resort requires 16 players, minimum, to host a tournament. Tee times will be held based on the expected number of participants. The final player list will be due to the Tournament Director 7 days before the event. For our team to prepare properly for your event, if dining, it is important that we receive your expected number of guests fourteen (14) working days prior to your event. This number is a minimum guarantee and may not be lowered. Blacklake Golf Resort Catering will prepare to serve five percent over your final guarantee. If we do not receive your final guarantee SEVEN (7) days prior to the event by 11:00 AM, your beginning expected number will stand as your guarantee. All charges are based on the minimum number or the actual attendance, whichever is greater.

**Deposits** Reservation of catering services is considered definite when the catering department receives a deposit and completed credit card authorization form. The deposit required is \$1,000. Deposits are non-refundable or transferable and are applied to the booked date and time slot only. The deposit is applied to the total amount due for the function. Credit card will not be charged unless permission is given by card holder or if there is an outstanding balance. To reserve a tournament, 10% of the total is due 90 days prior to your event. The reservations are considered definite.
